SUBJECT: GUYANA 2005 COUNTRY REPORT ON TERRORISM

REF: STATE 193439

1. Guyana was not included in the 2004 Country Report on Terrorism. Post's reading of the instructions indicates Guyana will not require a "detailed assessment" for 2005 because no acts of international terrorism occurred in Guyana, Guyana is not a state sponsor of terrorism, there are no known Guyanese terrorist groups, Guyana is not to our knowledge being used as a sanctuary/safe haven for terrorists or terrorist organizations, and the USG has not sought Guyana's cooperation in the investigation or prosecution of international terrorist acts.

2. Post's primary point of contact for issues related to terrorism is DCM Michael D. Thomas. He can be reached via telephone at IVG 747-0204 and via e-mail at ThomasMD@state.gov. Secondary PoC is EconOff Edward Luchessi. He can be reached via telephone at IVG 747-0220 and via e-mail at LuchessiEP@state.gov.
